

## Compost Tea Systems<sup>™</sup>

---

### System10<sup>™</sup>

The System10, our newest model, is ideal for homeowners, small nursery operations and research environments. This model delivers the same reliable performance as our larger Systems, with greater portability and convenience. Our patented Compost Tea Systems are designed for durability, ease of use, and years of safe and consistent operation. The System10 includes a 15 oz. jar of our Compost Tea Catalyst<sup>™</sup>.

### Features

- Patented Compost Tea System design
- Fine Bubble Diffusion technology
- Industrial grade components
- Convenient 10-gallon size
- Easy to clean

### Specifications

Tank capacity	10 gallons/37.8 liters
Aeration	Fine Bubble Diffusion
Air delivery	Piston air pump
Electrical	110V/220V
Tank/Stand	UV stabilized polyethylene
Valves/Fittings	Banjo <sup>®</sup> glass-filled polypropylene
Fasteners	18-8 Stainless steel
Weight	27 pounds/12 kilos
Dimensions	20 x 20 x 27 inches 51 x 51 x 71 centimeters
Brew time	24 hours

of Compost Tea Systems:  
10, 25, 100 and 500 gallon units

U.S. Patent No. 6,649,405

## Compost Tea Catalyst™

---

Growing Solutions Compost Tea Catalyst is a unique blend of ingredients formulated to stimulate diverse microbial growth during aerated compost tea production. In addition to seaweed extract, humic acid and mineral powder, our Catalyst contains an array of select botanical ingredients without the use of simple sugars.

A key feature of our formulation is the Catalyst Booster that is added near the end of the compost tea production cycle. The Catalyst Booster contains additional ingredients selected to sustain microbial activity during compost tea application.

Compost Tea Catalyst is listed by the Organic Materials Review Institute (OMRI) for use in organic production, and the majority of ingredients are certified organic.

### Features

- Formulated to enhance microbial growth and diversity
- OMRI listed for use in organic production
- Easy-to-use powder
- Ideal for use in any compost tea system
- Available in four convenient sizes
